Union Territory of Jammu & Kashmir will set up three Bamboo Clusters through technical knowhow and collaboration from North East Cane and Bamboo Development Council (NECBDC)

Each of three clusters will be devoted to production of Agarbatti, baskets and charcoal respectively

ABOUT

Formerly known as 'Cane and Bamboo Development Council' (CBDC), NECBDC was incorporated with objective of organizing hitherto untapped bamboo sector of North East India

'Cane and Bamboo' in J&K

Union Territory of Jammu and Kashmir has huge Bamboo reserves that can boost its economy in future

Bamboo cultivation can revolutionise industry in Jammu and Kashmir in a cost-effective manner and can open new gates for young start-ups

UT Govt. is in process of identifying 100 venues and will identify programs to be held there in first phase

National Bamboo Mission

Mission was launched in April 2018

Aims to-increase area under bamboo cultivation and also adopting region based strategies to promote bamboo products

NBM envisages promoting holistic growth of bamboo sector by adopting area-based, regionally differentiated strategy and to increase area under bamboo cultivation and marketing

NBM will be a sub-scheme of National Mission on Sustainable Agriculture (NMSA) under umbrella scheme Krishonnati Yojana
